About the 2020 Rivermead Junior Program

We may celebrate that the Junior Golf Program will start more officially on Saturday, June 27th. It is hoped that each junior enjoyed their special 15-minute session of instruction.

Please refer to the Lesson Schedule below for the times and age categories. We ask that all juniors remember to abide by the safe distance protocol of 2 metres or 6 feet apart at all times during the instruction period.

This year each junior class will be split immediately into 2 groups – one for the golf swing and one for the short game. Each session will be 25 minutes and then we will switch so that each junior receives golf swing and short game instruction each week.

The Rivermead Junior Program includes:

- 10 weekly one-hour group lessons for five different age categories (Bilingual instruction is available).
- Each participant receives a verbal video analysis of their swing in the spring and fall which will be sent via e-mail.
- Instruction will cover all aspects of the game of golf including a review of the new rules of golf implemented in 2019.
- We will hold five (5) junior tournaments at Rivermead in 2020 with 3 rounds as part of the “Kuster Kup” for ages 7 to 18. Points will be awarded similar to the PGA Tour FedEx Cup. Results will be posted after every event on the Junior Board outside the Pro Shop. Juniors must play in two of the three events to qualify for prizes and the take-home winner’s trophy in each age division. The individual trophies and awards in each division will be presented after the final round of the Kuster Kup on September 8. Parents are asked and invited to caddy for their pre-juniors ages 7-9.
- Juniors may participate in the Kuster Kup but choose not to be part of the competition. Only the top 4 leaders in each age category will appear in the Kuster Kup standings on the Junior Board outside the pro shop after each event.
- The 2-day Junior Club Championship in all age categories will be held on Saturday, August 15th and Sunday, August 16th with the second round also planned as round two of the Kuster Kup. The Trophy and Awards presentation for the Junior Club Championship will take place after the final round.
