Junior Sailing Program 2026 Early Drop-Off and Late Pick-Up

In response to requests from parents, the Royal St. Lawrence Yacht Club is pleased to offer an Early Drop-Off and Late Pick-Up supervision service for children registered in the Junior Sailing Program.

This service provides supervised care **from 8:00 a.m. to 8:50 a.m. and from 4:00 p.m. to 5:30 p.m.**, outside of regular program hours. An additional fee of **\$58.00 per week** applies and covers both the morning and afternoon periods.

The purpose of this service is to ensure that children who arrive early or remain on site later in the day are properly supervised in a safe and welcoming environment. While these periods are intended for supervision, our staff will do their utmost to create a fun, safe, and relaxed atmosphere for your children.

Parents are kindly asked to sign their children in and out with the instructor on duty. As the Club is a large facility, we strongly encourage families who are unable to drop off or pick up their children during regular program hours to make use of this service to help ensure consistent supervision and the safety of all participants.

Last-minute usage of the supervision service for children who are not registered will be subject to a **\$25.00 per day supervision fee.**
